

NATIONAL TABLE-TOP RALLYING COMPETITION – 2017/2018

We have received this invitation ...

“A while ago you asked to be added to the mailing for the Internet Table-Top Rally Championship 2017-2018, so that you could receive updates.

This is to advise you that there is a BIG UPDATE ...

The Table-Top Rallying website has been completely revised and the Home page announces a long-awaited Championship series of 4 events. The first event starts on November 1st and entries are now open.

I don't need to say much more ... you should find everything you need to know on the website, except ...

... It's taken a considerable amount of effort to update the website and prepare a new competition. I was motivated by a sudden swell of interest in this desktop sport and the sad death of a close friend, business partner and rallying colleague Chris Towers from Motor Neurone Disease. I've dedicated the series to his memory and ALL entry fees will be donated to the Motor Neurone Disease Association.

Enter and I can promise you some entertaining navigational recreation over the winter months.

“Crow” aka Ray Crowther”

And Club member Roger Ashmead (amongst others) has a suggestion ...

Mark here's one for folks to keep the grey matter turning over for the winter. Perhaps the club should enter & we do the routes on a club night - we might see some interesting routes!!!. LOL.

Regards, Roger

So have we anyone else interested to do this as a Group - ? Will need to come to every Natter Night and be prepared to work through the instructions as a team.

Let me know and I will happy enter (on behalf of EDMC).

STARTS NOVEMBER 1st 2017 so please do not delay in getting back to me.

Thanks Mark W

(ps great idea Roger! Thank you)
