If you know of anything you want to tell us about in the Calendar, just drop an email to secretary@eastwoodmotorclub.co.uk

Secretary Update

Welcome to the July 2018 edition - Next Club Natter is on **Tuesday 3rd July 2018 at The Royal Oak, Main Road, Watnall, Get down to see us at a Natter, see the [website](#) for details and a map as to where we are!**

The first Grass Autotest held in a cracking field at Drum Hill, Little Eaton – was very well supported (20 crews) and very well liked – well done to all the organisers, timekeepers and marshals for making kit run so smoothly.

See the website for the full set of results and who the 3 class award winners are. To be presented at the Annual awards night on 19th Jan 2019.

Following on from that great success we are looking to run a second one on the same field on 11th or 18th July 2018 – keep checking the website for more details plus on the club Facebook Page.

This are ramping up in the planning and readiness for the Phoenix Stages Rally on Sunday 5th August 2018 at Fulbeck Airfield nr Newark again. Entries as we speak stand at a fabulous 72 so we are expecting a full entry plus reserves. Weather has been booked to be excellent – nice and sunny with a small breeze but not quite as hot as we have had over the last few days!

Martin our Chief Marshal needs as many marshals as possible please – jobs for everyone! If you fancy coming along as a marshal but haven't done the MSA Marshalling online training session (to get your free licence and free goodies inc MSA tabard etc) – please let me or Martin know and we will sort out bringing a laptop along to the July Natter and get you through the (very simple!!) training there and then.

You can still sign on as long as we spare “buddies” – so its just dead easy to get this very simple training online done and be fully fledged on your own. To give an idea how long it will take – I did mine in 9 minutes! Start to finish!

Rick has been announcing that a fresh club clothing order is being put together – so an ideal time to take advantage of the 20% club discount and order a couple of Polo Shirts – all in readiness for the Phoenix Stages.

Well that's it for now – see you at the Natter – and let's all get behind and support these forthcoming events. It's been a great year so far and I know it's going to be a fab 2nd half year to come!

Club Clothing ...

[have YOU got yours yet. Get “in” with the Club spirit and get a new Sweatshirt or Polo Shirt or Jacket.](#)

[All very practical and good looking – See the club website and catch Rick Hickman asap](#)

[Competition Secretary](#)

The first grass test was very well received, a big thank you to all involved, looking forward to the next one, I understand it will be in the same Field,

The Phoenix Stages Rally at Fulbeck on Sunday 5th August. – we are now taking reserve entries, details of entries are on the club Website for those interested, Club entries so far are, Dean Hickling/Geof Moss – Joe/Stephen Oade – Garry Wayne – Lee/Sean Sellars and on his first event driving Daniel Knifton, we have a strong entry we will need YOUR help to marshal if not taking part! Contact Martin.

Don't forget that you can improve your points standing by sending in a report of your adventures – a short paragraph or a full story with pictures, get it in and additional points will be allocated.

If you want to claim points I am also happy for you to catch me at natter night and let me have the details. Can members please remember to supply both entry list and results with their points claims,

You can find all these things on our Club Website – www.eastwoodmotorclub.co.uk

Save the Date -Save the Date -Save the Date -Save the Date -

No doubt you will have seen elsewhere within the newsletter, or on the Club's social media pages what a successful and enjoyable evening the recent grass auto test was at Drum Hill. A total of 20 crews tackled 6 runs over two tests set by Charlie Knifton, plus Marshall timekeeper and a few spectators. A well supported and excellent evenings entertainment for the Club.

The event is a regular in the Clubs calendar, but it also paves the way for what the Committee hopes will be the first of a number of events to be promoted over the coming months.

A number of Committee members have been tasked with promoting an event and for my part I will be arranging a meeting evening on Wednesday September 12.

The venue will be the TeamSport kart track on the Victoria retail park in Netherfield. Start time to be confirmed but probably 19.30 ~ 20.00. Cost will be about 40.00 each. So, make a date in your diary and if you could drop an early email to me confirming your interest it would help with the arrangements and making an early booking,

Best regards

Paul
